The next screen will look like this:

A screenshot of the Sqord user setup interface. The background is a green field with trees and a blue sky. At the top left is the Sqord logo. Below it, it says "Welcome to Sqord!". On the left is a white robot-like character labeled "TrueHopper1". The main content area has two sections, each with a red exclamation mark icon. The first section is titled "Set Up Forms Incomplete!" and asks for the user's first and last name, with input fields and an "Update!" button. The second section is titled "Link a Sqord Pod to your account." and asks for the Pod ID, with an input field and a "Link!" button. Below that, there is an optional section for joining a team with a "Join a Team!" button. At the bottom, there is a "Got a Fitbit?" section with a "Link your Fitbit account" button. A red arrow points from the "Link your Fitbit account" button to the "Got a Fitbit?" section. A "DIRECTIONS" button with arrows is in the top right corner. A "I'll do this later!" button is at the bottom right.

Step 3 - Skip all fields and only click on Link your Fitbit account.

That is all!!!
